

ASLI NUGGETS

FOR THOSE EMBRACING THE GOLDEN YEARS

Chairman's Address

By Mr. Rajagopal G, Chairman, ASLI

Vanakkam Chennai! Dr Rana Mehta, Partner and Leader Healthcare Practice, PwC India; Mr Karan Singh Sodi, Managing Director, JLL; my fellow Board members, members of the Organising Committee, distinguished speakers, partners, delegates, ladies and gentlemen. A very warm welcome to the 7th edition of ASLI's Ageing Fest. It is a privilege to welcome all of you to Chennai, a city that has played an important role in the evolution of organised senior living and care in India.

Highlights: 7th ASLI Ageing Fest

India's Ageing Ecosystem: From Emergence to Expansion As India's senior population races towards 347 million by 2050.

[Read More.](#)

KEY NOTE Address Dr. Sangita Reddy

The keynote address by Dr. Sangita Reddy framed India's ageing not merely as a demographic shift, but as a fundamental question of how well, rather than simply how long, Indians will live.

[Read More.](#)

KEY NOTE Address Dr. Rana Mehta

Dr. Rana Mehta's address was essentially a call to recognise ageing as a certainty for which India must deliberately build its social infrastructure.

Masterclass Session 1

India's ageing population is creating a significant new investment opportunity—but what will it take to convert that opportunity into sustainable, scalable businesses?

[Read More.](#)

Masterclass Session 2

This masterclass is designed as an open and interactive conversation, offering delegates the opportunity to learn directly from founders and industry leaders who have built.

[Read More.](#)

Roundtable 1

As India's ageing ecosystem moves from emergence to expansion, supportive policy frameworks, regulatory clarity, financing mechanisms and institutional recognition

[Read More.](#)

Roundtable 2

As India's ageing ecosystem moves from emergence to expansion, the opportunity to invest in senior care, housing, healthcare, wellness, technology .

[Read More.](#)

Roundtable 3

As India's ageing population grows and family structures, lifestyles and expectations around ageing continue to evolve, the demand for organised senior living and care solutions is set to grow significantly.

[Read More.](#)

Roundtable 4

As India's ageing ecosystem moves from emergence to expansion, developing a skilled workforce and establishing consistent quality standards will be critical to enabling the sector to scale sustainably.

[Read More.](#)

Roundtable 5

As India's ageing ecosystem moves from emergence to expansion, technology and innovation will play an increasingly important role in enhancing quality of life.

Glimpse of 7th ASLI Ageing Fest

[Read More.](#)

Empowering Through Fashion

India is ageing — and with it, the idea of what it means to grow older is changing. Today's seniors are living more actively, making their own choices.

Gratitude Note by Bani Jain

Dear All, As we come to the close of the 7th ASLI Ageing Fest, I find myself thinking less about the two days that have just gone by and more about what we are building together.
